Great. I will give you a call at 3p. Is 732-321-4350 the best number to reach you?

Thanks for the quick response. I have a 2 pm phone conference. It should only take 30 minutes or so. After that I should be free.

Hi Margo:

I would like to discuss the NFB Action Memo with you. The action memo has yet to leave the branch level. I have had some discussions with management and after you and I go through some questions, it will move forward. I am currently at the NFB site working off of verbal funding. It's been very busy. I am not sure of your availability. I am available most of today. Some availability tomorrow. Monday, I will still be here but no phone conferences planned for that day. We can view the action memo together with Adobe Connect Link below. If you don't have a login you can just login as a guest. Please let me know when it is good for you. Thanks
